4

A new series is begun in Bible. Students return to the Old Testament studying Creation through King Saul. Parents, as well as children, are blessed and challenged by the thorough lessons.

Grammar is a major focus of fourth grade. Students are introduced to all eight parts of speech and diagramming. Covenant Home's *Grammar Activity Booklet* accompanies the *Language Roundup* worktext, reinforcing the concepts through interesting stories and exercises. Our *Handbook of Grammar Rules* is keyed to both text and the *Grammar Activity Booklet*. Fourth grade literature has several interesting readers scheduled in the *Day-by-Day*, as well as a children's version of *The Odyssey*, which is integrated into the study of Ancient Greece. The *Note-Taking Guide and Book Report Form* is of major importance in the intermediate grades. We really do encourage the reading of good literature in every possible way!

One feature of our fourth grade history, which has been well-received, is the study of Ancient Greece through the "Famous Men" series. We have made these materials more complete and easier to use with our *Day-by-Day* scheduling and Covenant Home's valuable *History Overlay*.

Math focuses on long division. Students will study flight and animal classification, birds and bats in science, as they begin to understand why these incredible creatures point to our Creator God.

Fourth Grade Full Curriculum Includes

- Covenant Home *Preceptor* CD-Rom
- CHC Full Curriculum *Day-by-Day Scheduling Guide*
- Covenant Home *Grading Masters*
